

Following leg EW9912, the next Ewing leg departed Townsville, Australia on 1999-12-02 GMT time (1999-12-03 local time). On 1999-12-10 (1999-12-11 local time), there was a very brief port stop in Suva, Fiji. The ship then continued on to Lyttleton, New Zealand, arriving on 1999-12-28 (1999-12-29 local time).

The entire portion between Townsville and Lyttleton is designated as cruise leg EW9914. There is no leg EW9913. However, in some data reports and perhaps in some investigators' notes, the first portion from Townsville to Suva may be designated as leg EW9913.
